Notice for Classes I- V

Dear Parents,

As your child is new to the next class, we would like to inform you about few important things which form an integral part of your child academics. Kindly make a note of the following:

1. Unit Test: - Unit test for each subject are held regularly on every Saturday.(for detailed scheduled and syllabus of the Unit test, please refer to pg. no 14 of the syllabi).
2. In order to keep the students motivated and correct them from time to time in a very positive way, we are following a unique pattern of corrections for classes I to V. For any wrong answer (asterisk sign) * is given, which means to Redo the sum/answer. We do not want to put 'X' sign and upset the child, we would rather give the child a chance to correct his/her mistake. For the develop of writing skills, we are giving 'Do it yourself' questions which the child is supposed to answer on his own. We use (star sign)* to mark these questions.

Note:- To promote creative writing, paragraph writing, Picture Composition and Learn to Write given under English language portion of the syllabus will be written by the children on their own. Helping Words (I-III) are given in the syllabus to assist them in writing.
