

Sunbeam School Cholapur

Notice for Show-Me Boards : Classes III – XII

Date: 09-04-2026

Dear Parents

To make classroom teaching- learning more interactive and interesting, we have an interactive learning tool called the **SHOW-ME BOARDS**.

Students are expected to participate in class discussions by making use of the **SHOW-ME boards (simply made by laminating white A4 sheets)** for writing answers/making diagrams & drawings/solving numerical / doing spelling drills/balancing equations in Chemistry/Mental Maths and any such related activity while the teacher is doing/discussing a topic in the class.

Students are encouraged to use this interesting learning tool which are light weight too. Do ensure that your ward carries white board markers of **at least three different colours** to write with and a **soft flannel cloth** to wipe the surface clean to school.

Principal
