Dear Parents

The Bus Card is meant for the safety of your child. It is mandatory for the parents to produce the **PARENT'S BUS CARD** at the time of receiving their children at the bus stop (Only people mentioned in the Bus Card (with photos) will be allowed to receive the child) failing which the child will not be handed over and will be brought back to the school and parents will be called to come and pickup the child from the school. In case the **BUS CARD** is lost it should be immediately informed to the class teacher. For any change in the mode of transport, please inform the school authorities. Duplicate card will be issued from the fee counter through an application.

Thank you for your support and co-operation,

Principal
